

ITALIAN & AMERICAN CUISINE

WELCOME TO ZORBA'S RESTAURANT

In the more than 27 years that we have been in the restaurant business in Cedartown, we have discovered that Greek hospitality is not far removed from the southern variety. So we would like to welcome you to Zorba's Restaurant in Cedartown, Georgia.

Our restaurant offers you a variety of foods with many choices. We offer our own quality, homemade dressings made with imported Greek herbs, spices, and olive oil, homemade sauces, and much more in culinary delights. Come in to carry out your food, gather the ingredients that make a tasty meal, and you are good to go. It is as simple as that. We go to great lengths to bring you a variety of fine seafood from our own Gulf coast and around the world. Fresh shrimp, tilapia, flounder, and grouper, scallops, oysters, farm raised catfish are a few of the items raised here in the USA.

We offer all the fresh fish with the genuine knowledge and expertise that you have come to rely upon and we don't stop there. Our Italian dishes are the best outside of Italy. Try our homemade lasagna, spaghetti dishes, Alfredo, chicken coronet, parmigiana and other delicious Italian dishes which are the best in the state of Georgia. We can continue telling you about our tender, juicy steaks. Our steaks are fresh, top USDA choice and scrumptious. Our promise to you is to continue buying the best quality of food possible for our customers. In fact, you will notice that our prices are very reasonable despite the constant rising of food costs.

The faces here are familiar too. Some of the folks you see behind the counter and in the dining rooms have been with us since we first opened the business. Another thing that remains constant is our customers. We have been in the restaurant business since we came from Greece in 1970. We have watched our customer's children grow up and become customers themselves.

All of you have helped to make Zorba's Restaurant what it is today. It is our sincere wish that you will enjoy eating in our restaurant for years to come-with its comfortable and still casual dine in experience, a delicious smorgasbord of fine foods to take with you, and delicious choices for parties.

So we say to you, "Welcome. Bring your healthy appetite." Celebrate at the hometown restaurant where good food, good folks, and a good time are our business. Thank you for your patronage.

George and John Marangakis
